For School Board Members and Their Families

Personal Accident Insurance

**“As long as you’ve
got your health . . .”**

The Pennsylvania School Boards Association is pleased to provide member school board directors with travel accident insurance while they are on school property or traveling to and from home or work. In addition, the PSBA Insurance Trust has put together an optional plan to provide 24-hour coverage to members and personal accident insurance for their dependents.

If you’re physically healthy, you can work, play, take care of your family and enjoy life. The same holds true to your fiscal health. For long-term financial well-being, you need to understand where you are, be aware of where you want to go and have a plan to get you there.

But, if something were to happen to you, all your hard work – and everything you have – could be lost unless you’ve taken steps to protect yourself and your family. Having adequate insurance coverage is not only the basis for a sound financial blueprint; it also provides the protection you need to ensure that your family, your home and your finances will be protected.

Who Needs Personal Accident Insurance?

You do. Accident insurance can help you pay expenses if you or your spouse is seriously injured or killed in a covered accident. This coverage can ensure that tragedy doesn’t take both an emotional and a financial toll on your family.

By purchasing this insurance product through the PSBA Insurance Trust, you benefit from affordable group rates.

Eligibility

■ Who Is Eligible?

You – You are eligible for coverage if you are an elected or appointed individual Board Member/Trustee of an educational entity, the entity being an active member of the Pennsylvania School Boards Association. This includes the Officers of the Board of Trustees who are not members of the entity.

Your Family – You may elect to cover your lawful spouse under age 70, and your unmarried dependent children who are under age 19 (or under age 25 if they are full-time students). Children must be dependent upon you for your support and maintenance and must reside with you.

No one may be covered more than once under this plan. If covered as a member, you cannot also be covered as a spouse or dependent child.

Selecting Your Coverage

You – You may select \$150,000 of coverage for yourself at a cost of \$36.00. You may also select \$50,000 of coverage for your spouse at a cost of \$14.00, and \$10,000 of coverage for all of your eligible children at a cost of \$7.00.

Benefit Reductions

When you reach age 70, your benefits will be reduced to 65% of the benefit amount selected; at age 75, 45%; at age 80, 30%, and at age 85, 15%. If you elect the Family Plan, Accidental Death & Dismemberment benefits for your insured dependents will be based on your selected benefit amount. Other benefits based on your selected benefit amount will be determined by this reduction schedule. Coverage for your spouse ends when he or she reaches age 70.

A Valuable Combination of Benefits

If, within 365 days of a covered accident, bodily injuries result in:

Total paralysis of both upper and lower limbs

Loss of any two: hand, foot or eyesight

Loss of speech and hearing in both ears

Loss of one eye, hand or foot

Loss of speech or loss of hearing in both ears

Total paralysis of both legs

Total paralysis of arm and leg on one side of the body

Loss of thumb and index finger of the same hand

If the same accident causes more than one of these losses, we will pay only one amount, but it will be the largest amount that applies. Loss of a hand or foot means complete severance through or above the wrist or ankle joint. Loss of sight means the total, permanent loss of sight of the eye. The loss of sight must be irrecoverable by natural, surgical or artificial means. Loss of speech means total permanent and irrecoverable loss audible communication.

Personal Accident Insurance helps protect you against losses due to accidents. We will pay the full benefit amount for accidental loss of life. To help survivors of severe accidents adjust to new living circumstances, we will pay benefits for paralysis, dismemberment and loss of eyesight, speech or hearing according to the chart below.

We will pay this % of the benefit amount:

	You or Your Spouse	Your Children
	100%	200%
	50%	100%
	75%	100%
	25%	50%

Loss of hearing means total and permanent loss of hearing in both ears which cannot not be corrected by any means. Loss of a thumb and index finger means complete severance through or above the metacarpophalangeal joints (the joints between the fingers and the hand). Paralysis means loss of use without severance, of a limb. This loss must be determined by a doctor to be complete and not reversible.

Additional Benefits

For Wearing a Seatbelt (Airbag)

This benefit is payable if an insured person dies as a result of injuries sustained in a covered accident while driving or riding in a private passenger automobile*, and wearing a properly fastened, original, factory-installed seatbelt. That person's death benefit will be increased by \$10,000.

If the seatbelt benefit is payable, and the covered person was positioned in a seat protected by a properly functioning, original, factory-installed airbag that inflates on impact, we will increase the death benefit by an additional \$5,000.

Verification of the actual use of the seatbelt, and that the airbag inflated properly on impact at the time of the accident, must be part of an official report of the accident, or be certified, in writing, by the investigating officer(s).

**Automobile means a self-propelled, private passenger motor vehicle with four or more wheels which is of a type both designed and required to be licensed for use on the highways of any state or county. Automobile includes, but is not limited to, a sedan station wagon, or jeep-type vehicle of the pickup panel, van, camper or motor home type. Automobile does not include a mobile home or any motor vehicle which is used in mass or public transit.*

For Comas

If Injury renders an Insured Person Comatose within 30 days of the date of the accident that caused the Injury, and if the Coma continues for a period of 30 consecutive days, the Company will pay a monthly benefit of 1% of the Principal Sum. No benefit is provided for the first 30 days of Coma. The benefit is payable monthly as long as the Insured Person remains Comatose due to that injury, but ceases on the earliest of: 1) the date the Insured Person ceases to be Comatose due to that Injury; 2) the date the Insured Person dies; or 3) the date the total amount of monthly Coma benefits paid for all injuries caused by the same accident equals 100% of the Principal Sum. The Company will pay benefits calculated at a rate of 1/30th of the monthly benefit for each day for which the Company is liable when the Insured Person is Comatose for less than a full month. Only one benefit is provided for any one month of Coma, regardless of the number of Injuries causing the Coma.

Enhanced Benefits

Monthly Rehabilitation Expense – If a doctor has determined that rehabilitation is medically necessary to aid an insured in returning to the normal activities of a person of their same age and gender after an accidental bodily injury, an amount that will be equal to the lesser of 1% of the covered amount or \$100 will be paid monthly for up to 12 months.

Felonious Assault – If an insured suffers a covered loss due to a physical attack by another person resulting in bodily harm because of their employment and while they are working for PSBA an additional benefit equal to the lesser of 10% of their covered amount and \$10,000 will be paid.

Return of Remains – If an insured suffers a loss of life and such loss occurs outside a 100 mile radius of their home, the plan will pay the lesser of the amount of Return of Remains expenses and \$1,000. This benefit includes expenses for embalming; cremation; a coffin and transportation of the remains.

Emergency Disaster Response Team

Member – If an insured suffers a covered loss due to an accident that occurs while they are a participating member of PSBA's emergency response team responding to a bona fide emergency while they are working for PSBA, an additional benefit equal to the lesser of 10% of their benefit amount and \$10,000 will be paid.

Accident Medical Expense – While on business travel, if the insured suffers a covered accidental bodily injury that results in a loss that causes the person to seek medical treatment within 24 hours of the date of the accident, an additional benefit will be payable provided the first medical expenses are incurred within 30 days of the covered accident. The benefit will be equal to the lesser of 10% of the amount of the principal sum and \$15,000.

Lump Sum Permanent and Total Disability Benefit – While on business travel, if, due to a covered accident, an insured Board Member is permanently and totally disabled within 365 days and the disability is total, continuous and permanent at the end of twelve months, the policy will pay 100% of the Board Member's principal sum, less any other dismemberment benefits paid out as a result of the same covered accident.

24 Hour All Risk Business Hazard – On or off premises: Benefits described in the contract will be paid for any accident which happens to an insured while on Business Travel. Business Travel begins with the start of the trip and ends when the insured arrives at the Insured's home or place of work, whichever happens first, or the insured makes a personal deviation. Business Travel does not include commuting between the insured's home and place of work.

When your Coverage Begins and Ends

Members can sign up during the enrollment period Dec. 1 through Jan. 15. Coverage becomes effective the first of the month after your payment and election form is received in the school district business office.

If your spouse is not actively at work or if your spouse or children are unable to engage in all the usual duties of a person of like age and sex, the effective date of their insurance will be deferred until they return to work or resume their usual duties.

Your coverage will continue as long as you remain an eligible member, pay your premium when due, do not serve more than 30 days' full-time active duty in any Armed Forces, and we agree with the Policyholder to continue this group policy. For your spouse and dependent children, coverage ends when your coverage terminates, when their premiums are not paid, or when he or she is no longer eligible, whichever occurs first.

Changing from the Group Plan to Individual Coverage

If, before you reach age 70, this group coverage ends for any reason except non-payment of premium, you can convert to an individual policy. No medical certification is needed. To continue coverage, you must apply for the conversion policy and pay the first premium in effect for your age and occupation within 31 days after your group coverage ends. Family members may convert their coverage as long as they have not reached the maximum age limitation.

This brochure provides only a brief description of the coverage available. The Policy contains reductions, limitations, exclusions and termination provisions. Full details of the coverage are contained in each Policy. If there are any conflicts between this document and each Policy, the Policy shall govern.
