

Education Funding by School District in Proposed 2015/16 Budget (SB1073, PN1459)

This spreadsheet details the proposed basic education and special education funding school districts would receive in 2015/16 under the framework budget agreement passed by the Senate on Dec. 7, 2015 (Senate Bill 1073, PN1459) as compared to 2014/15.

Please note: The language detailing the distribution formula is expected to be in a subsequent School Code bill, which has not been passed by either chamber. Until the School Code bill passes, the numbers reflected in the attached spreadsheet are subject to change.

The framework budget agreement includes a \$350 million increase in basic education funding, which would be distributed to districts using a blended distribution formula (i.e. a formula that provides significant restorations of the cuts made under Gov. Corbett and begins to implement the new basic education funding commission formula). The agreement also includes a \$50 million increase for special education.
