

LEADING THE CHARGE
IN INFECTION PREVENTION

BAKER CLEANING SOLUTIONS

Proud to partner with the PSBA to introduce these innovative products

Victory Professional Cordless Electrostatic Sprayers

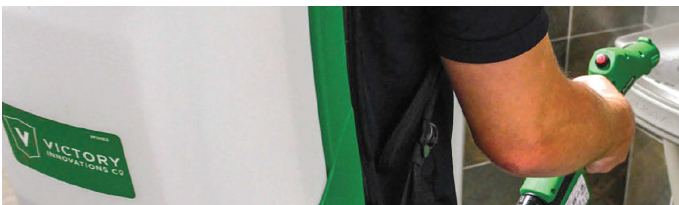

BACKPACK SPRAYER (VP300ES)

HANDHELD SPRAYER (VP200ESK)

Save time. Save money. More effective, even coverage.

Victory Professional Cordless Electrostatic Sprayers allow the user hours of spraying time without the hassle of a cord. In addition, it is designed to save time and labor, spray less liquid, and cover more surfaces. **Victory Sprayers' patented technology provides an electrical charge to solutions, allowing them to wrap conductive surfaces with an effective and even coverage.** Double-charged particles envelope all conductive surfaces – shadowed, vertical and underneath.

VitalOxide

Vital Oxide® is approved by the EPA for use against SARS-CoV-2 (COVID-19)

Baker Cleaning Solutions is a division of Baker McMillen Co., established in 1874. Baker has been serving the cleaning industry for over 40 years. In 2016, we partnered with Victory Innovations and Vital Oxide to distribute the disinfecting tools that make our hospitals, schools, and communities safer by setting the new standard. We thrive on innovation.
