WE'RE SO EXCITED TO
WELCOME EVERYONE BACK!

We know COVID-19 has changed how we need to provide service for the foreseeable future, so we’ve implemented additional precautions to ensure a safe and healthy environment for all. Our commitment and focus remains providing students access to healthy, nutritious and wholesome meals. We continue to follow recommended guidelines and protocol so each café we serve is the best it can be.

Whether school happens at school or at home, we have all the necessary systems and controls in place to provide quality food and service while maintaining a safe environment for students and staff.

Give us a call if you are interested in partnering with us! Visit TheNutritionGroup.biz or call 1-888-272-8106.

At TNG, #WeGotYou.
