

The background of the entire page is a dark, moody photograph. On the left, a statue of Lady Justice stands, blindfolded and holding a scale of justice in her left hand and a sword in her right. To the right of the statue, a wooden gavel lies horizontally. The lighting is dramatic, with highlights on the statue and the gavel against a dark, blurred background.

SPECIALIZED COMMITTEES FOR FOCUSED DISCUSSION

Join PSBA's Special Education Committee and Facilities & Construction Committee to discuss emerging issues, share practical solutions, and connect with fellow school attorneys in focused areas of practice.

PSBA always provides excellent courses and the courses I attended this year are examples of that.

The Pennsylvania School Board Solicitors Association (PSBSA) was established in May 1963 as a Department of the Pennsylvania School Boards Association.
